To whom it may concern,

I understand that you are considering selling a dog to Ray and Gail Hubbartt of Alvarado, Texas and have requested references. Accordingly, please consider our thoughts regarding the Hubbartts.

In early 1997, we spent a great deal of time and effort looking for the right Rottweiler to make a part of our family. We interviewed many breeders and inspected many of their litters all over Texas and the Southwest. Many breeders had outstanding, show-quality dogs, however, no breeder distinguished themselves as did the Hubbartts. The Hubbartts provided their customers with such a high level of continuing care that you truly felt as if you were adopting a new family member. For example, over the past two-and-one-half years since the purchase of our dog from the Hubbartts, we have kept in continuous communication with the Hubbartts and understand that the Hubbartts personally know each of the families that have taken one of their dogs home. Their customers, ourselves included, regularly send the Hubbartts photos of their dogs. Furthermore, the Hubbartts' high level of personal care is evident in the excellent temperment and distinguished demeanor of their breeding dogs--attributes that genetics alone cannot produce.

Again, please allow us to emphasize that we give the Hubbartts the highest recommendation. We trust that you will agree with our personal observations and experiences. If you have any questions, please feel free to call us at 817-267-3223.

Sincerely,

Alfonso & Sharon Chan
